Your Closet is Frightening!

Eileen Duke says:

Ahhhh! Is your closet full to the brim? What about your garage and cabinets? When you open the door, is it hard to find what you are looking for? **THERE IS A SOLUTION:** Get a bag and throw in everything that you have not used for over a year and contribute to the FSJNA Annual Garage Sale. What you find frightful, someone else will find delightful! Let them have it!

We need electronics, clothes, toys, dog items, books, decorations, dishware, etc., etc.

**THE DROP OFF PLACE IS EVERY EVENING 6-8 P.M.,
SEPT. 14 thru SEPT 24
3324 GRAND RTE. ST. JOHN
and
SATURDAY MORNING
SEPT. 25TH 7 - 11 A.M.
Mystery Street Side of Fortier Park**

Ali James suggests:

1. clean out your garage & attic* | 2. buy all new electronics | 3. buy all new small appliances | 4. redecorate your entire house | 5. clean out your closet a. face it that you will never fit into your 12th grade jeans again (cry) b. vow to stick to that diet and go ahead and buy that new wardrobe (smile, charge it!) | 6. donate all now unnecessary items (in good and working condition), including all high school pants but *no Mardi Gras beads, to FSJNA Garage Sale.
